

A Message from Fr. Tim

In preparation for future gatherings at St. Joseph Park, work has begun in the bar area of the Hall. It will be updated and made more efficient to take us well into the future. The bar will be replaced, along with the cooler and sink, which are both well over thirty years old. The walls will also be replastered and cabinets replaced.

The estimated cost of this work is over \$13,000. We have already been blessed with a \$5,000 donation from Brad and Mary Petrella. I am grateful for their support and generosity. To ensure the success of this project we are in need of your financial support. Please consider making a donation.

If you have any questions, please feel free to approach me. God bless you for your consideration and support.

Fr. Tim
